PROJECTS

Lido Flow – Student Financial Assistant App, Mobile App Development — Sep 2025 - May 2026
Lido Flow is a mobile-based personal finance assistant app for students to manage expenses, track savings goals, and receive smart budgeting advice via a chatbot. I led the product development, managed the team, planned the business model, and supervised the UI/UX, technical implementation, and final presentation.

COMPANY VISIT I 2026, Project Manager — Nov 2025 - Apr 2026
Led the end-to-end execution of a strategic industrial visit program in collaboration with PT United Tractors Tbk, aligning academic objectives with real-world industrial exposure. Managed cross-functional coordination across 6 internal divisions (Logistics, PR, LO, Documentation, Sponsorship, and Operations), ensuring compliance with corporate SOPs and university governance requirements.

Hackathon, Public Relation — Feb 2026 - Present.
Public Relations Officer with experience in managing external communications, building partnerships, and maintaining a positive public image for large-scale events. Responsible for developing communication strategies, handling media relations, coordinating with sponsors and partners, and ensuring consistent branding across all platforms. Skilled in crafting press releases, managing social media presence, and serving as the main liaison between the organizing committee and external stakeholders to ensure successful event execution.

Class Website Development, Project Manager — Aug 2023 - Dec 2023
Led a small dev team to build a functional class website, coordinated tasks and timelines, handled feature planning, and ensured the project shipped on time with a clean, usable design.

Informatics Connect, Event Organizer — Nov 2025 - Present.
Coordinated cross-campus study banding events, handled logistics, synced all PIC divisions, and ensured smooth execution from prep to event day.

Workshop Alumni, Guard — Nov 2025 - Feb 2026
Managed crowd flow, secured venue access, assisted participants, and ensured the event ran safely and orderly.
